## Bring Gospel Hope in the Midst of Death

The phone rings: “Pastor, can you do my mother’s funeral?” Or, “Please help us—our baby just died.” Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P’s: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one.

The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Conduct Gospel-Centered Funerals*, experienced pastors Brian Croft and Phil A. Newton offer readers a concise guide to conducting funerals that glorify God and offer a timely message of hope.
