Costa Rica with Bubba and Bro & my thoughts... H. Ron Stephens

I have tried to put to paper words from my mind and my heart of a sixty plus day trip from San Antonio, Texas to Costa Rica with two special friends. I had been acquainted with these guys for some twenty years or so. I learned that we really don't know or understand each other until one is locked up with the other and are confronted with each other's idiosyncrasies. I've sure got mine and I discovered those of my friends. You may share the humor of three men sixty plus years of age looking for adventure, challenges and searching to find themselves. The thoughts of my mind wander around and are put to paper. They come from a heart that has been trampled on and being released to a new beginning. There are adult descriptions and language. You may find them interesting or you may not.
