Recycled wood projects are the ultimate in do-it-yourself convenience and sustainable living. This guide goes in depth on how to select the right pallets to use for your projects as well as great uses of upcycled wood around the home and yard. With shipping pallets a ubiquitous part of any business that has a loading dock at its facility, these are a cheap source of easy-to-use materials to make great looking, highly functional rustic pieces. They complement any décor choice and look aged and antiques on day one.

With this book, you'll learn how to:

- Pick the right pallets for quality and safety
- Disassemble them quickly without losing any of the lumber
- Create high-quality pieces
- Set up shop to sell the extras to recoup any costs you expend
