The Annie Books are a must read for any parent, teacher, or student with the challenges of Attention Deficit Disorders. The Windy Day with Annie, Bully-Be-Gone with Annie, and Calming the Stormy Days with Annie books, are a wonderful, non-threatening way, to introduce the topic of distractability and attention deficits to a young child and to introduce social skills training. So many times, my young attention deficit children respond, "I don't like her (Annie). She is bad." When prompted as to why they think she is bad, inevitably the response is, "Because she just daydreams. She is bad."
