Chalk 2

Randall H Miller

Chalk 2 Randall H Miller

On the morning of October 4th, 1993, the nation watched the news in stunned silence as footage of a celebratory Somali mob dragging the bodies of two American servicemen through the streets of Mogadishu was broadcast for the first time. The Battle of Mogadishu (memorialized in the book and film *Black Hawk Down*) was the fiercest firefight since Vietnam where roughly 100 men from Task Force Ranger faced enemy combatants numbering in the thousands. In *Chalk 2*, retired U.S. Army Lieutenant Colonel and career special operations soldier Thomas Di Tomasso looks back at the 1993 Battle of Mogadishu where, as a First Lieutenant, he served as leader of 2nd Platoon, Bravo Company, 3rd Ranger Battalion, 75th Ranger Regiment, attached to Task Force Ranger.

Chalk 2 is one of several stories from the book *Norwich Heroes*, covering flashpoints in military history where graduates of Norwich University (the nation's oldest private military college) have distinguished themselves on the battlefield. Follow three extraordinary brothers as they fight their way through the Civil War's bloodiest battles. Join others as they patrol the Central Highlands of Vietnam or hunt the world's most-wanted terrorists and war criminals in Iraq and Afghanistan.

From reader reviews:

Helen Woodyard:

The book Chalk 2 give you a sense of feeling enjoy for your spare time. You need to use to make your capable much more increase. Book can to be your best friend when you getting stress or having big problem using your subject. If you can make reading through a book Chalk 2 to get your habit, you can get far more advantages, like add your current capable, increase your knowledge about a number of or all subjects. You are able to know everything if you like start and read a reserve Chalk 2. Kinds of book are several. It means that, science e-book or encyclopedia or others. So , how do you think about this publication?

Amanda Moberly:

What do you in relation to book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question due to the fact just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this kind of Chalk 2 to read.

Ann Strickland:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining such as comic or novel. The Chalk 2 is kind of publication which is giving the reader erratic experience.

Mary Infante:

You are able to spend your free time you just read this book this book. This Chalk 2 is simple to develop you can read it in the park, in the beach, train in addition to soon. If you did not have much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.
