**Fire Season (Honor Harrington - Star Kingdom Book 2)** David Weber, Jane Lindskold

Second entry in a new young adult series by *New York Times* best seller David Weber, and the prequel to the hugely popular Honor Harrington adult science fiction saga.

Fire in the forest—and a cry for help from a trapped and desperate alien mother! Unfortunately, this is one cry no human can hear. Stephanie Harrington, precocious fourteen-year-old Provisional Forest Ranger on the planet Sphinx, knows something is wrong from the uneasy emotion that is flooding into her from her treecat friend, Climbs Quickly. But though Stephanie's alien comrade shares a tight bond with his two legs, he cannot communicate directly to her the anguished call from one of his people.

Still, their strong and direct bond of feeling may be enough. Stephanie and fellow ranger Karl Zivonik respond to Climbs Quickly's rising waves of distress. Fire season on the pioneer world of Sphinx has begun. But there are those who want to use the natural cycle of the planet for personal gain—and to get rid of the one obstacle that stands in the way of acquiring even greater land and power on Sphinx: the native treecats.

Now it's up to Stephanie and Climbs Quickly, along with their friends, family, and allies to prevent disaster and injustice from befalling a treecat clan. But in the process Stephanie must be certain to preserve the greatest secret of all. It is the knowledge that the treecats of Sphinx are not merely pets or servants, but are highly intelligent in their own right—that they are a species fully deserving of rights, respect, and freedom. And keeping the secret that will allow the treecats time to develop a mutually beneficial relationship with humankind.

It all begins with the friendship of a girl and her treecat.
