Letters to Her; Letters to No One: Words written through loss Ian Bagley

"Dear No One, It's raining a lot today. I'm at the pub and I can't help but remember the night of the fireflies..." In his debut book of poetry, Ian Bagley offers an authentic look at the catharsis of both love and grief. Cataloging raw emotions in the months following the loss of No One, Bagley knits short letters into his selection of poems, reflecting the honest thoughts and passionate images of his experience. The most unremarkable subjects become powerful symbols for unfulfilled expectations, leaving the speaker with only the letters, these letters to no one.
