"No More Mistakes": Addressing the Issues and secrets of Women who Desire a Mate and the Men who want to know C. Taylor Moultry

In society today we see brokenness and dysfunction both in Christian Relationships, Secular Relationships and Marriage. Divorce is running rapid in the Church and in the world. What do we do was my question? As I started to examine my own personal life and the failures I had with relationships and marriage I soon discovered the problem. As a woman I was unhealthy spiritually and mentally, I didn't know my identity. The only way I could change was to change my mindset by understanding who I was in God. Years of looking for a man to complete me or take care of me led me to see that I was a needy woman. Today I have been able to heal through the word of God. Thus allowing me to help other women recognize the mistakes they have made in relationships in order to bring them wholeness. Women today are introduced to unhealthy behaviors through the lack of a father's presence, abuse, premature sexual activity and self-esteem issues. In this book "NO MORE MISTAKES" I take the time to break down some of the issues like sexual soul ties, masturbation, abortion and red flags in relationships. These things bring bondage and pain spiritually to every generation. I help a woman see her identity from the word of God and how important she is to the man and the church. No matter what life you live whether you are Christian or Non-Christian there will come a time when you are so broken that you will need something or someone. Let the Spirit guide you, begin to see the Father Jehovah as Lord over your life and He will bring you a love unconditional that will bring you peace. Just as in John 4:1-38 brought love to an outcast woman at a well in the noon day. You will see your love; identity and wholeness transform you as Jesus makes a visit on every page. This book has keys to what God is calling for in marriage today, people without spot of wrinkle. Jesus wants to marry you the church, but the church is looking more like the world, and so marriages are looking healthier. Agape
