Real Estate Appraising From A to Z: Real Estate Appraiser, Homeowner, Home Buyer and Seller Survival Kit Series (Real Estate from a to Z) Guy Cozzi

Fourth edition of this top selling real estate book. Nemmar Real Estate Training is ranked as one of the most exclusive real estate appraisal and home inspection training services since 1988. Our top selling products have taught thousands of real estate professionals and homeowners nationwide. You too can learn everything you need to know about Real Estate - from Asbestos to Zoning. With this knowledge you will save thousands of dollars when you buy, sell, or renovate your home. You will also learn how to eliminate safety hazards and properly maintain a home. Statistics show an average savings of at least \$4,700.00 per home for customers who have read our books. Both of our books are the number one seller's in the Real Estate Appraisal and Home Inspection categories nationwide and they have been called the "Bible" of the real estate industry.

Don't let your dream house be a nightmare in disguise! Everything you need to know about Real Estate - from Asbestos to Zoning. This is definitely the best real estate appraisal book on the market. Every aspect of real estate appraising is covered with precise steps to follow. Written by Guy Cozzi who has decades of experience as a licensed appraiser, home inspector, consultant, and real estate investor. This top selling author has been quoted as a real estate expert by the New York Times and many other publications. He has been a guest speaker on real estate investment TV shows for years. Guy Cozzi has taught thousands of people how to inspect, appraise and invest in real estate and provides advice to many banks and mortgage lenders.

The real facts other books don't tell you! You'll learn everything that your Realtor doesn't want you to know. Realtors "sugar coat" the negative market value problems in a house in order to close the deal and get paid their sales commission. This is unquestionably the only book of its kind that teaches you how to prevent those pitfalls. You get information that the professionals use to make you an educated consumer enabling you to negotiate a much better price on the purchase, renovation, or sale of your home. Whether you are looking to become an appraiser or just to buy or sell your home, this book has it all.

Do you really know the true market value of your home? This fourth edition "A to Z Appraiser" book will assist you with the biggest investment of your life - your own home! This was originally designed to train top-notch, professional appraisers and is now available at a price affordable to everyone. All homes need to be inspected and appraised for safety hazards and routine maintenance.

Crucial Advice to Assist You: This book tells you the truth, unlike others that gloss over the hard facts. Aspects of appraising and real estate investment that tell you the realities so you don't walk into it with your eyes closed. This information will be invaluable to you in a home purchase, sale or ownership.

Safety Concerns: Eliminate safety hazards to make your home safe for you and your family. Help prevent accidents before they happen! Learn how to identify lethal carbon monoxide problems, unsafe electrical wiring, lead poisoning hazards, asbestos and radon health concerns, explosive gas leaks, oil tanks, termites, and much more.

In-Depth Appraisal Topics: You'll learn every aspect of the real estate appraisal business. Whether you're a beginner or an expert, this book is easy to read and understand. Get all of the important information you need in just one book. Never buy, sell or renovate a home without this!

This book has many pages of photos, graphs, illustrations and sample appraisal reports that show potential market value adjustments found when buying or selling a home. By identifying any negative aspects before you buy or sell, you'll be able to negotiate a much better price.

224 pages with 8.5"x11" dimensions. This book and the home inspection videos in the "Real Estate from A to Z" series are now being offered at a very large discount via the Internet compared to our normal professional training school prices.
