## **The Twelve Principles of Righteousness** Robb Russon

Living a righteous and spiritual life guided by principles rather than rules gives control and governance to those who desire a framework of living that will create happiness and fulfillment.

The twelve Principles of Righteousness have been collected and combined from the Bible and the teachings of General Authorities of the Church of Jesus Christ of Latter-day Saints (the Mormons) and from the teachings and literature of Christian thinkers. Each principle has a chapter devoted to it that examines in detail the meaning of the principle and amplifies the and expands each of the twelve concise phrases. Sub-texts provide a further help so that remembering the principle is made more meaningful.

Anyone who is searching for a better and higher way to live will find a wealth of information underlining the twelve principles and will find that once taught correct principles, they may govern themselves rather than be governed by rules.
