Benedict de Spinoza

A Political Treatise: Tractatus Politicus Benedict de Spinoza

OUR author composed the Political Treatise shortly before his death [in 1677]. Its reasonings are exact, its style clear. Abandoning the opinions of many political writers, he most firmly propounds therein his own judgment; and throughout draws his conclusions from his premisses. In the first five chapters, he treats of political science in general — in the sixth and seventh, of monarchy; in the eighth, ninth, and tenth, of aristocracy; lastly, the eleventh begins the subject of democratic government. But his untimely death was the reason that he did not finish this treatise, and that he did not deal with the subject of laws, nor with the various questions about politics.
