All Better Now Joy Masoff

*Sneezing! Stuffy! Ears a-pop!
And from your nose, a drippy-drop
Such green and slimy yucky glop!
Can anybody make it stop?*

It's one thing when a toy breaks—but what about when a part of you isn't working right? This delightful, involving sequel to *The Boo Boo Book* cures children's fears when they're sick, and explains exactly what's going on with their bodies. The rhyming text and colorfully-designed interactive pages are just so much fun that kids won't focus on how bad they feel, but on why they'll soon get better. They'll lift a sheet of transparent pink plastic to cure pink eye; slide the mercury in a thermometer to take a temperature; and touch the embossed sneeze spray. From runny noses to rashes, earaches to stomachaches, a host of typical children's ailments are all illustrated and described.

From reader reviews:

Dora Vazquez:

The book All Better Now give you a sense of feeling enjoy for your spare time. You should use to make your capable more increase. Book can to get your best friend when you getting strain or having big problem along with your subject. If you can make reading a book All Better Now being your habit, you can get more advantages, like add your capable, increase your knowledge about a few or all subjects. You can know everything if you like available and read a reserve All Better Now. Kinds of book are several. It means that, science guide or encyclopedia or other people. So , how do you think about this guide?

James Robicheaux:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you will have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love All Better Now, it is possible to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Larry Turner:

As we know that book is essential thing to add our knowledge for everything. By a book we can know everything we wish. A book is a set of written, printed, illustrated or blank sheet. Every year ended up being exactly added. This guide All Better Now was filled about science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading any book. If you know how big good thing about a book, you can really feel enjoy to read a guide. In the modern era like now, many ways to get book which you wanted.

Richard Chambers:

A number of people said that they feel weary when they reading a reserve. They are directly felt it when they get a half elements of the book. You can choose the particular book All Better Now to make your own personal reading is interesting. Your personal skill of reading skill is developing when you including reading. Try to choose easy book to make you enjoy to learn it and mingle the impression about book and reading especially. It is to be initially opinion for you to like to open a book and study it. Beside that the reserve All Better Now can to be your new friend when you're sense alone and confuse with what must you're doing of that time.
