#### **Virgil Santamaria:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this An Introduction to Genetic Engineering International Student Edition can make you feel more interested to read.

#### **John Smith:**

What is your hobby? Have you heard which question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the point. Book is important thing to provide you knowledge, except your own personal teacher or lecturer.
