Everfair: A Novel Nisi Shawl

Everfair is a wonderful Neo-Victorian alternate history novel that explores the question of what might have come of Belgium's disastrous colonization of the Congo if the native populations had learned about steam technology a bit earlier. Fabian Socialists from Great Britain join forces with African-American missionaries to purchase land from the Belgian Congo's "owner," King Leopold II. This land, named Everfair, is set aside as a safe haven, an imaginary Utopia for native populations of the Congo as well as escaped slaves returning from America and other places where African natives were being mistreated.

Nisi Shawl's speculative masterpiece manages to turn one of the worst human rights disasters on record into a marvelous and exciting exploration of the possibilities inherent in a turn of history. *Everfair* is told from a multiplicity of voices: Africans, Europeans, East Asians, and African Americans in complex relationships with one another, in a compelling range of voices that have historically been silenced. *Everfair* is not only a beautiful book but an educational and inspiring one that will give the reader new insight into an often ignored period of history.

From reader reviews:

Alysha Johnson:

Reading a reserve tends to be new life style in this era globalization. With studying you can get a lot of information that may give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Everfair: A Novel.

Jimmy Dietz:

Precisely why? Because this Everfair: A Novel is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret it inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

Carmen Russell:

Is it a person who having spare time subsequently spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Everfair: A Novel can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?

Nancy Gump:

Reading a e-book make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is composed or printed or descriptive from each source this filled update of news. Within this modern era like right now, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just looking for the Everfair: A Novel when you required it?
