Grades, Money, Health: The Book Every College Student Should Read

Gregory P. Bullock

Grades, Money, Health: The Book Every College Student Should Read Gregory P. Bullock As featured in the Warren Reporter: If you are a current or potential college student, you need an advantage over the 16 million other college students (in the US alone). This book is your treasure chest of secrets unveiling how college can be easier. College can be challenging as it is, but graduating isn't enough, especially in these competitive times of high unemployment. You want to get the most out of your college experience by getting it right the first time and finding that balance between work and fun, body and mind, gratification and finances. This focuses on the three most important roots to a better college experience: grades, money, and health. Why waste your valuable time and resources trying to conquer college through trial and error when you can quickly learn from the successes or mistakes of others before you? The secrets shared will give you the advantage in making wise decisions academically, financially, biologically, and socially from someone who truly understands college culture. As a former student and current college professor, the author has collected the secrets from both perspectives for you. (Click on the back-cover image for a sample of topics shared.) Maximize your grades, money and health with the book every college student should read. Start using this resource ASAP to save literally hundreds of dollars before you miss the chance. This is the perfect high school Graduation, Christmas or care package gift for your college student!
