Kiss Me Kristine Mason

When is a kiss... After a series of bad relationships, Jenna Cooper wants a sex buddy—no-strings, no emotional involvement, and absolutely no expectations of commitment. She sets her sights on Luke Sinclair. A player and commitment-phobe, he'd make the perfect boy toy. Only Luke's tired of playing the scene and wants a serious relationship with Jenna, not a series of one-night-stands. ...More than a kiss? When Luke makes Jenna an offer she can't refuse, the sexual tension between them combusts and their emotional chemistry becomes too hard for Jenna to ignore. They both end up with more than either bargained for, especially when Jenna's wild past is exposed and threatens to tear their relationship apart. Now Luke will do anything to make things right between them, but knows it's going to take more than a kiss...
