La Force du Changement: Bâtir un pays plus beau qu'avant (French Edition)

Noel K. Tshiani M.

La Force du Changement: Bâtir un pays plus beau qu'avant (French Edition) Noel K. Tshiani M. Malgré les efforts entrepris par les gouvernements et régimes politiques successifs, la République Démocratique du Congo traverse depuis son accession à la souveraineté internationale une situation chaotique : il n'existe pas de classe moyenne dans le pays, l'économie est extravertie et tout est fait pour l'étranger en laissant les nationaux sans grandes opportunités. Les politiques de stabilisation macro-économique à court terme, bien qu'importantes et essentielles, ont montré leurs limites et n'ont pas un grand impact sur le vécu quotidien de la population. Pour faire face aux innombrables défis, Dr Noël K. Tshiani M. présente sa vision sous forme d'un projet de société dénommé « La Force du Changement : Bâtir un pays plus beau qu'avant ». Visionnaire et réaliste, ce projet est composé de programmes sectoriels à mettre en oeuvre de façon synchronisée en quinquennats dans le cadre d'un plan de développement.
