## **Renewing Your Mind** Dr Marius Visagie

“My mind is a centre of Divine operation. This Divine operation is always for expansion and fuller expression, and this means; the production of something beyond what has gone before, something entirely new, not included in the past experience, though proceeding out of it by an orderly sequence or growth. Therefore, since the Divine cannot change its inherent nature, it must operate in the same manner with me; consequently, in my own special world of which I am the centre, it will move forward to produce new conditions, always in advance of any that have gone before.” - Judge Thomas Troward
