There are few things that are off limits to the were-bears of Pine Falls, but humans are one of them. Which is a real pain, because I've had it bad for curvy Adelaide Laurent ever since she sashayed into town. The fact that she's forbidden fruit just makes my fantasies all the sweeter.

But when she signs up to go on a weekend camping trip with the town's biggest player, it's time for a bear to step in and claim his mate.

I don't care if it breaks the rules. She's mine, and it's time she knew it.
