The perfect marriage...

Denise and Derrek Shaw are the perfect American couple. Happily married for 15 years, they have a wonderful daughter, Mackenzie, successful careers, and a beautiful house in a posh Chicago suburb. They are attractive, respected...and hiding a shocking secret: a dangerous addiction to drugs.

It started innocently enough. Denise occasionally used prescription drugs to help her deal with the long hours and demanding nature of her job. Derrek, also under pressure at work, began using cocaine socially with some of his colleagues.

They can quit whenever they want to. At least, that's what Denise would like to believe....

As her job becomes more stressful, Denise can no longer get through the day without a fix. Derrek realizes his harmless habit has become anything but, and desperately wants to get clean. However, his attempts are derailed when there is a sudden family tragedy. Once soul mates, now this husband and wife are quickly losing the immense love that had been the cornerstone of their marriage. With her parents spiraling out of control, Mackenzie makes an unexpected move to take matters into her own hands. Is her sacrifice too late - or is there still hope? Is there a final chance to save the Shaw family?
