**PRE-SALE PRICE - Just .99 cents! Plus 2 FREE Gifts!**

---"THE AMAZING SEQUEL to the blockbuster story of post-apocalyptic survival, time travel, love and sacrifice ... is here!" KirkusBookReview.com

-  
**2288 A.D.** is the **2nd** book of the **#1 BEST SELLING**, 'The Ashlyn Chronicles' series. The first novel 2287 A.D., is a **Kindle ALL-STAR (TOP 100 AMAZON BOOK)** that has **SOLD over 100,000** copies in its first few months.

-  
As a thank you, you will **RECEIVE (2) FREE 2288 A.D. COLLECTORS ITEMS**: An HD copy of the cover featuring Ashlyn AND a more risqué cover that AMAZON won't allow - done by World Class Illustrator, Claudio Aboy. **They make awesome screensavers. All FREE and included! To get them, simply visit: 2287AD.com.**

-  
And while 2288 A.D. can be read as a stand alone novel, ( and it has NO cliffhanger ) we **strongly**, repeat **STRONGLY** recommend you first read Book 1, 2287 A.D. It is where the characters are first introduced and there is much to be learned about the far reaching arc of the story line and why they make the choices they do.

-  
It should also be noted that the heroes in the novel have **superlative, BIGGER THAN LIFE abilities** and are similar to those used by various characters in **Star Trek**; the '**FORCE**' in **STAR WARS** and Ray Harryhausen's 60's classic, '**Jason and the Argonauts.**' They are all norms in today's hybrid FANTASY / SCI-FI fiction world where rules are often bent for entertainment value. **2288 is fantasy/sci-fi, NOT hard military fiction.**

## **AND NOW, THE FUN STUFF (SYNOPSIS):**

The first novel, 2287 A.D. tells the story of Ashlyn Parker and Steven Sherrah, the man who is in command of Earth's last surviving starship. He has been struggling to keep the handful of Earth's survivors alive, hiding from the most vicious and powerful enemy humanity has ever known, an enemy that is relentless in its determination to see that every last human is killed.

-  
**Without** wanting to give away spoilers...2288 A.D. starts where the first novel ends. It will take them back in time almost 7,000 years. This is where the secret that Ashlyn holds, is revealed. It will lead them on an incredible journey of time travel through strange new worlds, changing the history of the universe forever, and our understanding of everything as we know it.

-  
Like 2287 A.D., ... 2288 A.D. is packed full of **action and adventure**. Personally, we hate a 3 page description of how a star-drive engine operates. We hope that you too will enjoy a story that moves quickly.

\*

**OUR THANKS TO:** Zechariah Sitchin, the Ancient Aliens show on History Channel, Jason Martel, Erich von Daniken, Richard C. Hoagland and Coast to Coast with George Noory. Thank you for brightening the darkness.
