## **Prosecutorial Discretion** Nobody

Prosecutorial Discretion- a prosecuting attorney's power to decide whether or not to prosecute, the power to look the other way and allow a crime to go unpunished even if it was committed publicly. Prosecutorial Discretion- a 100% fictional story which describes tactics that the author, Nobody, believes would be effective at persuading a look-the-other-way prosecutor to stop looking the other way...tactics which are completely underhanded and dirty...tactics which are completely unfair, illegal, violent and risky...and are described for informational and entertainment purposes only.
