26-year old Jessica Fox has loved and admired President Romeo Stryker ever since he ascended to the presidency 4 years ago. With the charisma of Bill Clinton, the rumored phallus-size of Barack Obama, and the sexual prowess of John Kennedy, President Stryker is God's gift to horny, politically-minded women. His oratory skills would always get Jessica all hot and bothered, and she occasionally masturbates to his speeches about world peace and nuclear disarmament. When Jessica is plucked from obscurity to interview the president two weeks before election night (where he will presumably cruise to an easy landslide re-election victory), she ascends to cloud nine. But never in Jessica's wildest dreams did she ever think she'd get a chance to mount Stryker's 10-inch presidential staff. When the president hints that he'd be open to a sexual encounter in the Lincoln Bedroom (where the ghost of Abe Lincoln has been known to watch its occupants engage in a little hanky-panky), Jessica begins a fiery romance with the most powerful man on Earth. In essence, Jessica bangs the president... and she likes it. This is the first erotica short story in the "I Banged" series, featuring sultry and fiery journalist-turned-sexual-deviant Jessica Fox. One day she's banging the president, the next day she's riding Santa Claus, the day after that she's getting eaten out by Big Foot. Admit it, you're mighty jealous of all the banging Jessica does. (Except, of course, when Jessica has sex with an inter-dimensional demon from Hell. Even she has to admit that's a bit weird.)
