There Shall Be No Needy: Pursuing Social Justice through Jewish Law and Tradition

Rabbi Jill Jacobs

There Shall Be No Needy: Pursuing Social Justice through Jewish Law and Tradition Rabbi Jill Jacobs

How can a Jewish approach to social justice offer positive change for America?

"Ancient texts offer significant wisdom about human nature, economic cycles, the causes of inequality, and our obligations to each other. These insights can inform our own approaches to current issues, challenge our assumptions, and force us to consider alternative approaches. The conversation between our texts and our lives can enrich our experience of both."

?from the Introduction

Confront the most pressing issues of twenty-first-century America in this fascinating book, which brings together classical Jewish sources, contemporary policy debate and real-life stories.

Rabbi Jill Jacobs, a leading young voice in the social justice arena, makes a powerful argument for participation in the American public square from a deeply Jewish perspective, while deepening our understanding of the relationship between Judaism and such current social issues as:

Poverty and the Poor

Collection and Allocation of *Tzedakah*

Workers, Employers and Unions

Housing the Homeless

The Provision of Health Care

Environmental Sustainability

Crime, Punishment and Rehabilitation

By creating a dialogue between traditional texts and current realities, Jacobs presents a template for engagement in public life from a Jewish perspective and challenges us to renew our obligations to each other.
