Conrad holds onto his anger and resentment toward Lexie. A part of him lets his walls down whenever she's near, but the second he realizes his weakness he pushes her away. Will love ever be enough for Conrad? Or did Lexie push him too far?

Arsen and Silke are worse than ever, and when Arsen asks for Ryan's help he doesn't get the answer he wants. He'll have to fix this on his own. But will he be able to? Does Silke love him enough to give him another clean slate? Or has she done that one too many times?
