Wicked Craving (Savannah Reid Mysteries) G.A. McKeve

Savannah Reid may have a few extra curves on her full-figured body, but that hasn't stopped her from becoming one of California's most successful private investigators. Her latest case puts her hot on the trail of a shady weight loss therapist who's made a killing treating -- and cheating -- his overweight patients. It seems Dr. Robert Wellman's wife has been found dead at the bottom of a cliff near their estate -- and it's clear she didn't go down without a fight.
