I was so excited about our last minute fishing trip!

The crash happened so fast. All of a sudden I was underwater not knowing which way was up.

I laugh about it now but it was a hell of a way to find out my best bud was...more than human.

Anyways, it's got a happy ending and that's the part I like telling most.

This 3500+ word short story is for erotically inclined adult readers only.
