A book with a kit created by a nurse to help others start an agency from home. Judith Smith Gatta ran a nursing agency from her home and she formatted all the forms and manuals needed to do this successfully and inexpensively. Some of the material is

- 1>application form
- 2>references form
- 3>physical and immunization form
- 4>proof of immunization
- 5>release of background information/ background check
- 6>Skills checklist
- 7>Medication test
- 8>Code of Ethics
- 9>Checkoff w/ copy of drivers license
- 10>copy of nurses license
- 11>proof of malpractice insurance
- 12>resume'

All these forms are needed when you interview with an independent contractor nurse on hiring.

This is just the beginning of the forms. There is a policy and procedure manual, the book "Any Nurse Can", numerous tests for nurses in various fields, medication test, nursing care plans (various diagnosis) and this is only the beginning!
