As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
