*Amulet Books is the home of Aidan Chambers, “one of young-adult literature’s greatest living writers.”**

“With profound respect for readers, Chambers again stretches the YA genre to its edges and beyond. . . . Ambitious, imperfect, challenging, and powerfully affecting.” —*Kirkus Reviews*, starred review

In this revelatory, groundbreaking novel, the love of sixteen-year-old Hal Robinson for self-confident Barry Gorman is revealed through Hal’s own observations, press clippings, and the scattered notes of a social worker. These various perspectives contribute to an extraordinarily sensitive portrait of the intensity of first love. The *Horn Book* writes, “The author is marvelously gifted at suggesting the ecstasy and insecurity that accompany new love—including its emotional and physical, social and spiritual aspects. A major strength of the book, the central conflict hinges not on the lovers being gay, but on their having two idiosyncratic and contradictory personalities.”
