Gerhard Mitter: German Porsche & BMW Formula One, Sports Car Driver and European Hill Climbing Champion

Robert Grey Reynolds Jr.

Gerhard Mitter: German Porsche & BMW Formula One, Sports Car Driver and European Hill Climbing Champion Robert Grey Reynolds Jr.

Gerhard Mitter died in a freakish accident while practicing in his BMW Formula Two car two days before the 1969 Grand Prix of Germany. It was only his 6th Formula One start. His first had been in 1963. In between were successive victories in the European Hill Climbing Championships, held near Berchtesgaden, in '66, '67, and '68. Mitter was a Porsche factory driver beginning in 1964. Only very late in his brief career did he switch to BMW. Perhaps Gerhard's greatest triumph came shortly before his death in August 1969. He teamed with Udo Schutz to win the famed Targa Florio race held annually in Switzerland. The exit of BMW from F1 racing may have been an aftermath of Gerhard Mitter's still unexplained death when he crashed at Nurburgring on August 1, 1969.
