Rozalyn and Tamar are back but unfortunately they're not together. After Tamar damn near killed Rozalyn a little over a year ago; the couple decided to cut their losses and move on. Rozalyn does her best to become a better, independent woman being she no longer has Tamar to depend on. She goes to school, opens her own beauty shop, and is even thinking of starting her own clothing line. Everything is going good especially when she meets Messiah; he sweeps her off her feet and shows her what true love is. Tamar feels since he's gotten rid of all of his enemies he's ready to jump back in the game. With a new lady on his arm, things are looking up and of course the cash is flowing nicely. That is until Messiah comes home and looks to reclaim his spot as the King of Miami. Messiah is messing with Tamar's paper and his woman. With the two men fighting for the crown and the girl; things will get rather ugly. Who will Rozalyn choose in the end? The guy that she bared three kids with and has gone through hell and back with, or the guy that treats her better than royalty? A choice must be made, but will that choice be a deadly one?
