Paul Granby, a successful historical author who has carved a niche for himself as a defender of history's outcasts, undertakes an assignment to write a book about a mysterious person whose identity will not be revealed until a subsequent face-to-face meeting. What follows is a suspenseful secret journey in Europe and a stunning confrontation with a Nazi leader in hiding and the outpouring of historical information relating to the period between 1918 and 1945 that has never before been presented in the same context and manner in published texts dealing with the Nazi regime.
