"Total Submission" -- features eight stories of female bondage, submission and sadomasochism written by some of the Internet's best erotica writers. Stories featured in this volume include:

"The Hook" by Lee Ash – Nancy and Rob are looking for the perfect home. They're also hoping to take their erotic BDSM relationship into new territory. While touring another house, Nancy spies a hook in the ceiling. It's not long after that she's hanging naked by it and he's doing wonderful agonizing things to her breasts and body their prospective neighbors would faint to see. What happens then will shock them all even more.

"Megan's Surrender" by Jon Hayworth – Mark is about to have a quick fling with a neighbor who wants nothing more than his rough hands on her tits when his wife's car pulls into their driveway. After a mad dash, he's pushing the lawn mower, thinking Megan none the wiser. He has no idea she is well aware of his near tryst as well as his erotically sadistic desires. He also has no idea of her plans for satisfying them.

"Disobedience" by Norma Jeanne – Jessie knew better than to go shopping against her Master's will, a point hammered home when she returns to find him waiting for her. When he seems even nicer than normal, she knows that she's in for it. Taking her out in nothing but her collar, he plans to treat her to a night of bondage and erotic torment that will make her think twice about her disobedience. At least that is the plan.

"A Job for Mandy" by Jude Mason – Mandy's only been married a few months and Frank already spends far too much time at the men's club. When she finds the ad that reads, 'Waitresses needed at men's-only fetish club. Some nudity required. Excellent benefits,' she sees her chance to find out what he's up to. Going undercover, she soon finds that "excellent benefits" translate to all the pain her lovely assets can take at Frank's hands...and at the equally willing hands of all of the other patrons.

"The Well-Read Man" by Marilyn Harris – Kate is tired of her lovers being either boring Boy Scouts working on their BDSM merit badges or abusive psychos wanting to maim her for life. On the verge of living with masturbation and auto-erotic punishment, she meets Scott. At first, he doesn't seem any better than the rest, but one day she steps from the shower to find out he's both Boy Scout and psycho—in perfect combination, at that.

"Bring It On" by Elizabeth Faraday – To become a member in an exclusive BDSM club, Julie's Master agrees to torment her—bound and naked—in front of its members. She passes the demanding test with a few bruises and some wonderfully erotic memories. But they aren't the only ones trying to get into the posh resort. Now, she'll have to go lash for lash against another aspiring applicant in an all-out BDSM battle for the prize.

"Finishing with Bethany" by Leo Bulero – He is The Master. His word is her desire, even when that word

involves being taken unconscious to a desolate snow-covered wood and left naked and helpless with a total stranger. And while that stranger subjects her chilled body to more than its share of climax-inducing erotic punishment and nipple burning twists, the way he finishes with Bethany will end up being the biggest twist of all.

"The Ghost of Stockard Sinclair" by Matt Nicholson – There are no such things as ghosts, at least that's what paranormal investigator Micah Snelling believes until she discovers the ghost of Stockard Sinclair. Little does she know, it is her beautiful body that convinces this ghost to come completely out of the closet—a closet that happens to contain a one hundred-year old breast torture fetish and a century of burning desire to satisfy it.

(Editor's Note: This work contains graphic language and sometimes extreme sexual depictions of consensual female bondage and sadomasochism. It is intended for mature audiences only and is not suitable for persons under eighteen years of age.)
