## **100 Gotas de Sabiduría para Padres (Spanish Edition)** Ignacio Barcenás

Es difícil describir la sensación que experimentan los padres cuando tienen por primera vez en sus brazos a su primer hijo. Los padres ven a su bebé recién nacido tan pequeño e indefenso que les da miedo cargarlo o lastimarlo, y lo cuidan con mucha ternura. Es difícil asimilar esta experiencia, por un momento no se sabe si es algo real o es solo un sueño. Y es cuando salen del hospital, con aquel indefenso ser en sus brazos, que comienzan a crear conciencia de lo que está pasando. Durante el camino a casa, poco a poco, la responsabilidad de ser padres va cayendo sobre sus hombros. Y al llegar a casa descubren que es verdad, que ahora están solos y que el bebé es todo de ellos, ya no hay más doctores ni enfermeras que les ayuden a cuidarlo. Ya son padres, tienen a su hijo en casa, y así principia esta maravillosa experiencia de ser padre. Pero, poco a poco, esta sensación de alegría y asombro se va convirtiendo en una difícil tarea. Los padres ahora experimentan una sensación de temor y dudas sobre como criar y educar a este nuevo ser que ha llegado a sus vidas. Con frecuencia, la alegría de los padres se ve opacada cuando tienen problemas con sus hijos. Aquí es donde la sabiduría de los padres puede hacer la gran diferencia. Los padres que son disciplinados, que manejan sus vidas con sabiduría, que cuentan con las habilidades para resolver problemas, y que están abiertos a aprender, se convierten en buenos padres. Es a ustedes a quienes quiero dedicar estas 100 gotas de sabiduría, espero que las disfruten y les puedan ayudar en el difícil trabajo de ser padres.
