Most guides to New York tell you about how great the food in Chinatown is, where the Statue of Liberty is, and much more. This is not that kind of guide. This is a guide to the social and cultural life of NYC. If you are in NYC and feel you don't have something to do or people to meet, you are very mistaken. Every day there are thousands of opportunities for you to meet and socialize with New Yorkers. Why stay home, alone, and bored? There is no reason!
