Addressing Cultural Complexities in Practice 2nd (Second) Edition Ph.D. Hays Pamela A.

This engaging book helps readers move beyond one-dimensional conceptualizations of identity to an understanding of the complex, overlapping cultural influences that form each of us. Pamela Hays' "ADDRESSING" framework enables therapists to better recognize and understand cultural influences as a multidimensional combination of Age, Developmental and acquired Disabilities, Religion, Ethnicity, Socioeconomic status, Sexual orientation, Indigenous heritage, Native origin, and Gender. Unlike other books on therapy with diverse clients, which tend to focus on working with one particular ethnic group, Addressing Cultural Complexities in Practice presents a framework that can be used with a person of any cultural identity.
