## **Empowered Volume 6** Adam Warren

After a fiery disaster claims the lives of several teammates, costumed crimefighter Empowered stumbles upon an ugly little secret of the masks-and-tights business: a growing number of ill-fated superheroes have found out the hard way that, while their *bodies* are still mortal, their *superpowers* are not... Now, only our downtrodden but doggedly determined heroine can save the (semi)living superdead from a very genuine "fate worse than death," while simultaneously grappling with the challenges of vengefully vacationing ninja clans, car-trunk carpet burn, superhero-fantasy-league drafts, excessive bedroom chatter, and deals with the devil both figurative and literal! All this, plus Emp's not-so-secret origin is revealed at last!

\* Adam Warren's work on *The Dirty Pair* is well known to U.S. comics readers.

"A sort of R-rated sitcom exploring geek culture from the inside out, *Empowered* has its cake and eats it too- it's full of exploitative, titillating imagery, but it also features the healthiest and the most realistic romantic relationship in any comic book featuring capes and masks." -J. Caleb Mozzocco, *Las Vegas*
