You will love these vitally powerful confidence-boosting affirmations to be used before a sales or presentations situation (for instance, in the car or just outside the meeting room).

You will hear affirmations including:

I am the BEST sales person that I can be. I exceed all expectations. I see myself achieving massive results, awards, bonuses. I'm the best salesman that I can possibly be. I can smell the money, I can feel the respect. I know where I'm going, I know what I want, and no-one gets in my way.

I look good. I sound great. People feel good, and enjoy recommending me to other people. Referrals flow in abundantly.

I manage my time well. I plan my day and I work my plan. I maximise timing results around my body-clock. I know when I am at my best. And I use that time for maximum productivity. And when it's appropriate to allow myself to have down time, I use that time to relax, and process, and integrate. And build on my successes. **I love sales.**

And the ultimate suggestion is: Know that you are believable. That you sell with integrity. That you are a successful, exceptionally, wonderfully outstanding salesperson.

Every salesperson NEEDS this powerful pump-up before ANY sales presentation!

So, if you're serious about wanting to have fantastic sales success then get a copy of *I Can Sell Snow To The Eskimo* right now!
