Para que sirve la fe? (Spanish Edition) Santiago Martin

Que motivos ha encontrado historicamente el hombre para elegir entre la fe o la increencia? Creer o no creer es la gran cuestion existencial que se ha planteado desde siempre. Es la eleccion que cada ser humano, individual y unico, enfrenta desde que empieza a ser consciente de su existencia. Que le ha dado mejor resultado? Ante los grandes problemas de la vida, esta mejor preparado el creyente o el no creyente? Y ante la muerte? Es el hombre razon pura? Este libro trata de dar respuesta a estas preguntas y aportar un poco de luz a un problema tan vital como eterno; luz procedente del sentido comun, del equilibrio integrador entre lo que dicta la razon y lo que ensena el corazon, con el fin de ayudarnos a vivir con paz y esperanza. / To believe or to not believe is the great existential question. It is the choice that every human faces from the minute he is aware of his existence. Who is better prepared to confront the great problems of life, the believer or the non-believer? This work tries to answer these questions and to provide some light to the perennial problem of having faith.

The language styles that writer use to explain it is easy to understand. Often the writer made some investigation when he makes this book. That is why this book suited all of you.

Robert Clark:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Para que sirve la fe? (Spanish Edition) can make you truly feel more interested to read.
