What About The Latest Google Algorithm Updates?

Google recently released a variety of algorithm updates which have ultimately lowered the rankings of sites using forbidden SEO techniques. Rest assured that this book only covers Google-friendly strategies that will bring you to the top and keep you there. A bonus chapter on Google Panda and Penguin is also provided, including checklists and more. Whilst most websites lose out big time during these updates, yours will be thriving!

Get Extra Online Resources!

Get **exclusive online resources** to kick-start your search engine marketing and content creation immediately. These include **blog post templates, viral graphics, 20 Call To Action templates and 35 viral headlines**. Details on how to get these are included in the book.

Written for beginner and intermediate SEOs, this current and in-depth book will give you the skills you need to bring your website to the top of Google.
