The Romanov Legacy: A Natalie Brandon Thriller (Natalie Brandon Series) (Volume 1) Jenni Wiltz

A murdered tsar. A missing treasure. One woman holds the key.

Natalie Brandon believes the rumors that Nicholas II, last tsar of Russia, left behind a secret bank account to provide for his family in exile. But getting someone to believe her is harder than finding the account itself. Diagnosed with schizophrenia, Natalie is tormented by a recurring hallucination, the voice of an angel named Belial. Even her sister, a Russian history professor, won't take her claim seriously...until a blond, blue-eyed Russian spy kidnaps Natalie, claiming she's the only one who can lead him to the treasure.

But Constantine Dashkov isn't the only one after the missing millions. The Russian prime minister, Maxim Starinov, will do anything to get the money for himself. Natalie and Constantine must outrun Starinov's death squad and track the treasure from San Francisco to Moscow to London. The hunt draws in Natalie's sister, Constantine's partner, and a loyal Russian family whose only mission is to guard the Romanovs' secret.

With nothing more than Natalie's ghostly intuition to guide them, the pair must fight for their lives in a race to protect the tsar's legacy from a greedy despot. Blending suspense, romance, and espionage, *The Romanov Legacy* is an action-packed thriller that takes an unlikely heroine on one of the world's greatest treasure hunts.

At the end of the story, keep reading for a preview of the forthcoming prequel, *The Dante Deception*.
