Hidden in My Heart: A Tck's Journey Through Cultural Transition Taylor Murray

When Taylor Murray arrived in Japan, she felt like she was on an adventure—an adventure that God had called her family to take. The unique food, the strange language and the foreign culture were exciting and new. But the novelty of life overseas wore off, and Taylor became overwhelmed with frustration, loneliness and the sorrow of leaving everything she knew—the States, her home, her extended family—for everything she didn't know. She kept these emotions hidden in her heart until they reached a boiling point. Written as a series of individual prayers to God, *Hidden in My Heart* tells Taylor's story as she transparently unloads her grief and anger on Him and, surprisingly, finds Him willing to listen and bring her to a place of healing and—ultimately—joy. Taylor, a homeschooler, became a TCK when she was nine years old. She realizes that TCKs live between two worlds and often experience unique struggles. Her desire is to help other TCKs reflect on their emotions and pursue God's perspective. Taylor currently resides in Hiroshima, Japan. She enjoys writing and playing the piano.
