Timeless Style and Simplicity

Simple and beautiful, Arts & Crafts furniture designs offer an excellent learning medium for furniture building. The Arts & Crafts style allows the craftsman to build a quality piece of furniture in a reasonable amount of time while providing a very successful and satisfying experience.

This book offers a collection of twenty-five Arts & Crafts furniture projects for every room in your home. Some of the projects are accurate reproductions of the original furniture pieces, while others are loving adaptations of the style. In addition to the projects in the book, we've included a Bonus CD-ROM* with ten furniture projects and ten technique articles to provide even more information on construction and finishing.

This book represents a collection of projects that the *Popular Woodworking* staff considers to be some of the most visually appealing pieces of furniture ever created.

***PLEASE NOTE: The CD is NOT included with the ebook version of this title.**
