The Story of the Thirteen Colonies

H. A. Guerber

The Story of the Thirteen Colonies H. A. Guerber

This book is intended as an historical reader, an elementary text-book in the history of our country, or as an introduction or supplement to any of the excellent text-books on the history of the United States now in use. The aim has been not only to interest children in the great men of their own country, but to stimulate them to the cultivation of the lofty virtues of which they read, and to instil within their hearts a deep love for their native land. All the main facts in our early history have been given as simply and vividly as possible, and the lessons of patriotism, truthfulness, courage, patience, honesty, and industry taught by the lives of our principal heroes are carefully enforced. Great pains have also been taken to relate all the well-known anecdotes and quote the famous speeches which are so frequently alluded to in our current literature.
