Being pregnant with the Antichrist is one thing... but carrying the hitch-hiking demonic reincarnation of your husband's brutally murdered crazy ex-girlfriend is another.

Having given birth to half-human twins, only one of which should rightfully be hers, motherhood isn't all it's cracked up to be for Evie Jane Devlin. With the psychotic demon-baby out for her blood, and everyone in her life branding her crazy, it's up to Evie alone to guard her real baby from the usurper. It's up to Evie to protect her perfect son, Zachariah from the sister who'll surely kill him.

With the devious monster baying for blood in the shadows, Evie turns to her husband for salvation and begs him to deliver the child back to Hell and eternal damnation.

But can Lucius really save her from Daddy's little girl?
