These pages of pet peeves have been written by hundreds of my customers over the last eight years as they waited in line for coffee. Almost every peeve was written by a different person. They have been published as they were written so there are many spelling and grammar mistakes, which made it even funnier, causing more people to add theirs. We all learn a little something by things that annoy other people including myself, who is the target at times throughout the book. God bless them all. Bad grammar, ringing cell phones, democrats, and republicans. They are four of the most annoying pet peeves throughout the book. Some are so funny they'll bring tears to your eyes. I had no idea there are so many things that bother people. Enjoy. I'm starting the second book, so if you're ever in Holden Beach NC, stop by Cappuccino by the Sea and post a pet peeve if you wish to opine-you'll love the coffee and feel right at home.
