Mason Riley's cousin Noah is about to prove that smart and sexy run in the family...

If Yasmin North knows one thing for certain it's that love sucks and then you cry. That's why she's moving forward with her Happily Ever After solo, with the help of a sperm sample from a double PhD holder.

At least that was her plan until the sperm bank sold her the wrong sample and she ended up deep in let-me-have-your-baby-batter negotiations with her unnamed donor. Her homecoming to Sapphire Falls is taking a hard turn for the sour, and that's before her mother's prize-winning rooster, Sampson the Third, makes it clear he's out for blood—Yasmin's blood.

The first time Noah Riley visited his cousin, Mason, he fell hard for Sapphire Falls. So he's not really surprised to find himself falling hard for a Sapphire Falls girl. The moment Yasmin races past him, chased by a demon rooster, his gut utters two words—yes and mine. He and Yasmin share an instant connection, but convincing this wounded woman to let him be her knight in faded blue jeans is harder than he ever imagined.

Especially when he discovers she's the woman who was accidentally given his sperm sample!

Can Yasmin and Noah survive the attack of the killer poultry and find their way to you and me and baby makes three the old-fashioned way?

Or will the scars from the past keep two destined lovers from their Meant To Be?
