Have you ever wondered why Positive Thinking and The Law of Attraction sometimes works and sometimes doesn't? Do you believe you aren't deserving? Do you believe it's not "meant to be?" Or maybe it's not "Gods will". This groundbreaking new book boldly challenges 77 years of self-help teaching that has focused on positive thinking alone. Finally revealing the simple truth behind how to create the life you truly want and desire. You see the problem is not your thinking. It is not your words. And it certainly is not your wants and desires. No, the cause is limiting beliefs. Limiting beliefs deeply held in the sub-conscious mind and devotedly protected by ego. Limiting beliefs that don't allow our mind to accept new positive thoughts. Limiting beliefs that will not attract the things we want. Limiting beliefs that cause us to believe only what we "see". Limiting beliefs that stop us from seeing, believing and achieving all that is possible for us.
