Strategic Stability: Contending Interpretations Strategic Studies Institute

What is strategic stability and why is it important? This edited collection offers the most current authoritative survey of this topic, which is central to U.S. strategy in the field of nuclear weapons and great power relations. A variety of authors and leading experts in the field of strategic issues and regional studies offer both theoretical and practical insights into the basic concepts associated with strategic stability, what implications these have for the United States, as well as key regions such as the Middle East, and perspectives on strategic stability in Russia and China. Readers will develop a deeper and more developed understanding of this concept from this engaging and informative work.
